What SBH Queensland can offer you and your child

Children profiled by Education Queensland may also receive individual services from the Education and Therapy Service

SBH Queensland provides a range of services for children with spina bifida and hydrocephalus aged 0 to 18 years. These services consist of:

- Support at Royal Children's Hospital and Mater Children's Hospital spina bifida clinics
- Group programs such as:
playgroups, mobility clinics
and skill training groups
- Annual camp
- Lending of equipment for trial

Access to services

If you would like to become involved or are seeking more information feel free to call SBH Queensland on 3844 4600 and chat to one of our friendly staff.

- Physiotherapy - Assistance with mobility, wheelchairs, anything to help your child get around

SBH Queensland provides a range of services for children with spina bifida and hydrocephalus aged 0 to 18 years. These services consist of:
